

LOOKING FOR COMMUNITY LEADERS TO HELP EDUCATION STAY ON PACE

Dear Community Members:

The Parent Teacher Association (PTA) here at Don Juan Avila Elementary School (DJAES) is asking for your support with our annual Fun Run. Our Fun Run is scheduled for Friday, March 8, 2024.

DJAES is a public elementary school located in Aliso Viejo with an enrollment of over 700 students. Our Fun Run is our annual fundraiser where both our school families and community members come together to raise funds, which pay for important programs here at DJAES. 100% of the funds raised help pay for our art, STEAM Lab, technology, physical education equipment, garden, assemblies, field trips and much more.

We hope you will join us this year by filling out the support form below and mailing it in before January 12, 2024. If you have any questions or require more information, please contact Brenda Ancsanyi at DJAESPTA@gmail.com
